THE REMINGTON CLUB & LIFELITES: A Story of Generosity

The **Remington Club** has always been a force for good in our community, supporting national charities & local ones [like the Carnival towards which £310 was raised by the Mothers' Day Draw!] BUT the Club's connection with **LIFELITES** is something truly special. It all started when **Alan Burnip** ► found out about its work & was instantly inspired by the charity's mission to provide assistive & sensory technology for children's hospices. What began as a casual mention quickly turned into a movement. Within a week **LIFELITES** was chosen as the Club's annual charity & was supported by some extraordinary fund-raising: sky diving, BBQs, raffles, a sponsored shave, auctions & a book swap. In just 6 months **£5,125** was raised....

Members were able to witness first-hand the results of their efforts at **ANDY'S PLACE**, the Grimsby hospice for children where precious memories are created for families.

Alan says,
"It could be any one of our families. Knowing it's not makes us more determined to help those who are not so fortunate as we are."
