★ VINTAGE ON SEA ★

Programme of Performances

Welcome to Vintage-on-Sea a community co-created festival developed through The South and East Lincolnshire Partnership's Arts Council England National Portfolio Organisation project. The festival is a celebration of the traditional seaside holiday, its set to be a day of fun where local and country-wide performers come together to entertain and amuse. It's your chance to get creative too and step back in time for a jolly holiday!

Sutton-on-Sea has been identified as a Creative Hub site, linked to the new Pavilion. A whole Summer of Creativity is planned for the town, including giant inflatable whales and sand sculpture trails. Please visit www.visitlincscoast.co.uk for more information.

This event is an example of what can happen when the community comes together for their town. Special thanks goes to the Sutton Residents and Business Working Group for all their hard work and support. Thanks to MG Plumbing & Heating Services for the trophies, Thompson Wood for the flag poles, Mablethorpe and Sutton Town Council for the market stalls and flags and G. F. Tomlinson for the High Street bunting. Thank you to the talented students of Sutton-on-Sea Community Primary School for their work with Lincolnshire County Council's Heritage Service to develop some wonderful artworks on display in some of the town centre businesses. Thank you to local artist Catherine Hallsorth for her artwork for the festival publicity.
