We know the sand is there to do the vital job
of protecting our homes & businesses from
flooding, but excess sand can be a problem!
So we're calling on individuals & groups
to volunteer help clear sand
from the promenade along our coastline
to improve accessibility for all.

*This is part of an initiative in partnership
with the King Charles III England Coast Path.*

Equipment Provided:
All necessary tools & equipment will be supplied.
What We Need:

Volunteers to clear sand from specific areas
Help keep benches clear for everyone to enjoy!
Ensure steps and ramps are safe and accessible!

Whether you're an individual
looking to make a difference
or a group
wanting to take on a specific area,
your help would be invaluable!
