BRITISH DIVERS MARINE LIFE RESCUE

Learn how to rescue seals, dolphins and whales!

Train with BDMLR and become a **Marine Mammal Medic**

BDMLR is a UK based marine animal rescue organisation. We have nearly 3,000 active Marine Mammal Medics around the UK and are the only such specialist organisation covering England, Scotland and Wales.

Our BDMLR Marine Mammal Medic Course has been developed to educate and train members of the public on how to rescue stranded whales, dolphins, porpoises and seals. You do not need to be a diver and the minimum age is 18 years old.

The course consists of online lectures to be viewed prior to the course date, followed by a day of practical training using our life-sized (and weight!) whale, dolphin and seal models.

This is a full day course and the fee is £115. For this you will receive the online lectures, the day's training, one year's third party medic insurance, cloth medic badge, car stickers, a Medic ID card, a certificate and a copy of our internationally accredited Marine Mammal Medic Handbook, as well as your first year's subscription to BDMLR.

Please note that this is a dry course so you will not need a wetsuit/drysuit, etc. Refreshments are not included so please bring a packed lunch.

Arrival at 9:30am for the course to start at 10am. It will finish by 4pm.

STOP LOAN SHARKS

WEEK 2023

Tuesday 24 to Tuesday October 31
Behind the Mask

Loan sharks have many faces.

Make sure you know who's behind the mask!

What does a loan shark look like to you?

The chances are the image that springs to mind is the TV soap gangster. But in reality, they are not always that easy to spot.

They could just as easily be that neighbour who always stops to chat, a parent who you know from the school gate, a popular work colleague, even a long-standing family friend.

The one thing they have in common is that they are expert manipulators and masters of deception, often befriending victims and offering a quick-fix loan.

If you think you have been targeted by a loan shark:
Contact the England Illegal Money Lending Team.

*Remember if you have borrowed from a loan shark
you have done nothing wrong.*

It is the lender who has committed a crime.
