ANNOUNCE...

BEACH ABILITY
MABLETHORPE!!!

A new site... making more of our
beautiful coastline accessible for everyone!

As you know, we've been working incredibly hard on
expanding our service and making more of our beautiful
Lincolnshire coastline accessible for everyone

Mablethorpe has always been high on our list.
We've had lots of interest from users, and it's such a
stunning beach — but finding the right accessible
location has been a real challenge. As we've spoken
about before, we need proper ramp access and a
suitable base... and for a long time, it just wasn't
quite coming together.

A SHARED PASSION

Robert from the Snack Shack Café shares our passion at
Beach Ability and had already been working hard to try to
provide a beach wheelchair service.

THE PERFECT SPOT!

He told us about the beach by his café... so we went to take
a look — and WOW! What a spot! Totally perfect access to
the promenade, the ramps and the beautiful beach.

AMAZING SUPPORT

Mablethorpe Town Council are fully supportive too!
Mayor Carl Tebbutt came to meet with us and test the chairs.
The Town Council have kindly agreed to purchase a beach
wheelchair for this site.

GETTING STARTED — RIGHT NOW!

While we work towards a permanent base, Robert has
fantastically offered storage at the Snack Shack Café for
our chairs — so we can get this project off the ground
immediately! We've added a second chair, Robert is
joining us as a volunteer... and WE HAVE LIFT OFF!

A BRIGHT FUTURE

We are still working to create a permanent base here, with
all the facilities our other sites offer — such as a hoist.
But we didn't want to wait to make this beautiful beach
accessible. Let's get going!

This is what happens when passionate people come together
with the same goal — Thank you! ♥

You can now...

BOOK ONLINE

Book a beach wheelchair
at our new MABLETHORPE
site via our website!

WALK-IN BOOKINGS

The Snack Shack Café is open daily,
and wheelchairs may be requested in

strongly recommend booking in
advance. Please note that a valid form
of ID is required.
